Lisa and Greg,

Attached is the spreadsheet with my assessment on the minimum qualifications of the candidates deemed ineligible by HR. I have marked in green the candidates that I believe definitely meet the minimum qualifications; and I've marked in yellow those that are closer calls, for you all to review. On the "all citizens" announcement (2018-022), I marked four candidates for addition to the qualified candidates list, and six candidates for further review. On the "status candidates" announcement (2018-020), I marked six candidates for addition to the qualified candidates list, and eight candidates for further review. On the status announcement list there is one candidate whose only Federal experience is working as Deputy IG at the Architect of the Capital, and I'm still working on the question of whether this person eligible and will get back to you on this soon.

Thanks,
Kate
